

# Assistant Professor - Master of Physician Assistant Studies

**Department:** School of Health Sciences  
**Type:** Faculty, Non-Tenure Track, Part-Time  
**Reports to:** Director, Physician Assistant Program

Stephens College seeks applications for a part-time non-tenure track position teaching with our Master of Physician Assistant Studies program. The program includes 12- and 15-month didactic and clinical phases, respectively. Stephens College newly developed PA program offers a small-cohort program in recently renovated state-of-the art facilities, with the inaugural class having attained a 100% PANCE board-pass rate.

As a part-time faculty member (0.5 FTE), the successful candidate will assist in the coordination and delivery of teaching and instruction of our physician assistant students. The candidate must be available 20 hours a week during normal operational hours on-campus.

## **Responsibilities:**

- Assist in the development and delivery of didactic content
- Assist in the development and delivery of clinical/laboratory experiences
- Teaching instruction
- Proctor exams and provide remediation as necessary
- Participate in program meetings
- Occasional service/committee work

## **Qualifications:**

- Earned Masters degree from an ARC accredited PA program, MD or DO from an accredited program
- Minimum three years of clinical practice experience
- Current NCCPA certification with eligibility for licensure in the State of Missouri
- Active participation in State and National organizations
- Demonstrated strong interpersonal skills
- Demonstrated strong oral/written communications skills
- Demonstrated course management skills
- Demonstrated proficiency with learning management systems, office software technology
- Commitment to PA profession and education
- Demonstrated strong collaboration, leadership, and mediation skills

## **Qualifications Preferred:**

Preference is given to applicants with prior experience in clinical education as well as demonstrated teaching experience in a university-based PA program.

**About Stephens College:**

Stephens College is the second oldest women's college in the country. Since our founding in 1833, we've been offering innovative, career-focused programs sound in the liberal arts with a focus on creative arts and sciences.
